OPPORTUNITY FOR RESIDENTS TO ADDRESS THE COUNCIL ON AGENDA ITEMS

Holly Reed, 93 Michael Avenue, spoke against the proposed location of a sports facility at McAuliffe Park as presented at the May 16th Town Council Meeting. The resident feels that the adjoining Norris School's children would lose the resource of the park and feels the development would be a safety concern. Ms. Reed also feels that the access roads of McKee Street and Remington Drive not have the infrastructure to support the additional parking and traffic. The resident also voiced concern over cost of utilities for the facility.

<u>Linda Cyr</u>, 93 Mckee Street, also spoke against the McAuliffe Park location. The resident feels that McAuliffe Park is a resource to the Town as it currently sits and voiced concern over the proposed hours of the sports facility and its impact on residents in the area.

COMMUNICATIONS AND PETITIONS

Update from Development Department re: Church Corners Inn

<u>Eileen Buckheit</u>, Development Director stated that in response to the Council's discussion at the May 16th meeting, the administration will release an RFP in the coming weeks that would look for proposals to purchase the property and develop it either with the existing building or façade or without the facade.

The Council urged that the RFP allow a developer to offer alternative proposals, one to purchase the property and keep the façade and another to tear it down. In that way, the Town can better assess the costs of keeping the historic façade of Church Corners Inn.

Chief of Staff Martin stated all the residents of Church Corners Inn have been placed in permanent housing with the exception of four residents who remain in temporary housing. Each has some issues which pose challenges to finding appropriate permanent housing. They are currently working with Social Services to secure more permanent locations. Those in permanent housing have also been receiving appropriate social and medical services as needed.

RE: Additional Appropriations for the Fiscal Year Ending June 30, 2023

Attached please find a list of \$2.748 million in additional appropriations from current year favorable revenues to be approved by the Town Council by June 30, 2023 to allow each town department to balance and close the fiscal year "in the black."

Additional Expenditure Appropriations:

<u>Corporation Counsel - \$78K:</u> This additional appropriation will provide funding for a retirement vacation payout and temporary transition staffing expenses incurred during the year.

<u>Finance – Employee Benefits – Reserve for Severance Payouts – \$150K:</u> This additional appropriation will provide funding for a deficit within the Benefits budget for Sick Leave payouts upon employee retirement. Expenditures in this account fluctuate from year to year depending on the retirements and accumulated leave balances. The gross shortfall for sick leave payouts is \$234K is offset by other savings, requiring net funding of \$150K.

<u>Fire - Suppression - \$970K:</u> This additional appropriation will provide funding for recurring overtime expenses due vacancies and minimum manning requirements. The FY2024 Budget begins the incremental phase-in of budgetary adjustments to reflect a more accurate level of required overtime expenses.

Public Works - \$950K:

Fleet Garage - \$100K: This additional appropriation is necessary to fund the design of the retrofit of the sanitation garage into the fleet services garage as the first step in the multi-phase plan for addressing the conditions of the DPW buildings.

Overtime - \$100K: This additional appropriation will cover overtime expenses incurred in Engineering, Highway and Fleet due to vacancies and other programmatic and operational needs.

Utilities – Gasoline, Fuel and Natural Gas - \$268K: This additional appropriation will fund a deficit in the Utilities budget due to an increase in market rates for gasoline and natural gas in FY2023.

Waste - Contractual Services - \$482K: The Town shifted to the outsourcing of sanitation effective July 1, 2022. The base budget to support the sanitation program in-house included salaries, operating and benefits expenses. The employer benefit expenses included savings in avoided healthcare costs, workers compensation, FICA and retirement savings. This additional appropriation funds the remainder of the contract that would come from benefit savings. The benefits budget contains the savings associated with outsourcing of these services. However, this is offset by shortfalls in other accounts within Benefits.

<u>Finance - Transfer Out - \$600K:</u> This additional appropriation will execute the funding plan approved by the Town Council for the \$21.6 million Town Hall Renovation project. This funding plan included \$600,000 in annual surplus contributions to capital reserves towards the total project cost (reference below noted):

RE: Town Hall Renovation Update

As you are aware, the Department of Public Works Director Marilynn Cruz Aponte and Project Manager Tom Baptist have provided an update on the estimated Total Project Cost for the Town Hall Renovation for the Town Council meeting on September 20, 2022. Based on cost management and value engineering, the Project Total is estimated at \$21.6 million. This represents a \$1.75M reduction since the original bids due to scope changes and overall cost reduction.

The Town currently has \$16.9 million in authorizations and allocations available for this project. This includes the remaining available funds of \$11.9 million for existing 2018 and 2020 bond authorizations and the current ARPA allocation of \$5 million.

RE: Sewage pump replacement at 61 Ecology DR.

61 Ecology Drive and 41 Ecology Drive sewage is pumped out via a sewage pit that consists of 2 pumps. The system has been functioning off 1 pump for the past several years. This past Saturday 6/10/2023 an alarm for the pump went off and Facilities arrived on site to find the pump not functioning. Mechanical pump inspected the pump and found several deficiencies with the pump, controls, and associated plumbing. They were able to get the one pump to temporarily function but would not guarantee it would last for any significant amount of time. This pit gets a lot of usage on a daily basis and needs to be replaced immediately as we already had one sewage backup earlier in the year due to an issue with the current pump. We have received 3 quotes with Mechanical Pump being the lowest at a cost of \$13,585.00. This price includes a complete replacement of both pumps, controls, and associated plumbing.

We are requesting a bid waiver be granted under the Town of East Hartford's code of Ordinances Section 10-7(c) and 10-12 to authorize the Mayor to execute a contract to move forward with this project.

RE: Board of Education Capital Reserve Fund Recommendation - FY 23

By way of this memo, consistent with the provisions of Town Ordinance article 7, section 10-38, I hereby request that the maximum of 2% of the BOE budget, or \$1,919,877 or such lesser amount as deposited by the Board of Education into the Board of Education Capital Reserve Fund as part of the FY 23 year-end close be approved for release back to the Board of Education by the East Hartford Town Council.

The Board intends to use the funds as outlined on the attached memo provided to me by Chief Operations Officer, Ben Whittaker, with the following priorities:

- Norris Roof Replacement Local Share \$180,000 Project Total \$450,600
- CIBA Exterior Entrance Renovation \$168,000
- O'Connell East Playscape Replacement \$121,923
- Design work for EHHS Restroom Renovations and HVAC Evaluation \$50,000

At this time, the estimated cost for these projects is \$519,913.

These infrastructure projects are important to the district and have been approved by the Board as part of a year-end spending plan. I have attached a sample motion for the Town Council to consider.

Board of Education Capital Reserve Fund Transfer

That, in accordance with Article 7 §10-38 of the Town of East Hartford Code of Ordinances, the Town Council **approve** the Board of Education's request to expend \$1,919,877 or such lesser amounts as deposited based on the proceeds as forwarded by the BOE from the Board of Education's Capital Reserve Account for the purposes of funding capital improvements and other general improvement projects which are all consistent with the projects contained in the district's approved Capital Improvement Plan.

Should you have any questions or problems on the aforementioned, please feel free to contact me. I will be on hand at the Town Council Meeting to answer any questions.

TRANSFER OF GENERAL BUDGET FUNDS TO THE TOWN OF EAST HARTFORD'S CAPITAL RESERVE FUND

BUILDING AND TECHNOLOGY IMPROVEMENTS

DATE: June 5, 2023

SUBMITTED TO: Board of Education

SUBMITTED BY: Ben Whittaker, Chief Operations Officer

ENCLOSURES: None

REASON: Town of EH Code of Ordinances Section 10-38 and State Statute

BACKGROUND: The Board of Education is able to transfer any remaining year-end general fund balances to the Town's capital and non-recurring "Reserve Fund," after Town Council approval, to be utilized under the jurisdiction of the BOE for building improvements. Per State statute, the maximum amount that can be transferred per fiscal year to this fund is 2% of the general budget, which for FY23 equates to \$1,919,877.

EHPS maintains a robust 5-year Capital Improvement Plan, which unfortunately is only able to be implemented when funds become available through capital reserve or grants, since the general budget only supports about \$675k per year for minor building improvements throughout the portfolio. Any funds that are able to be transferred at year-end would be used to construct the following projects contained in the CIP under FY24 (budget amounts are approximate).

- Norris Roof Replacement- Local Share \$180,000- Project Total \$450,600
- CIBA Exterior Entrance Renovation- \$168,000
- O'Connell East Playscape Replacement- \$121,923
- Design work for EHHS Restroom Renovations and HVAC Evaluation-\$50,000

It is not anticipated that more than the \$519,923 required to fund the projects above will be available for transfer at year-end, but if additional funds become available, projects will be taken from the CIP or substituted with emergent needs. Additional funds will also be allocated to build up a reserve for future IT infrastructure purposes once Federal ESSER-related funding expires in 2024. If accepted, this proposal will be brought to the EH Town Council for approval on June 20, 2023.

ACTION: Accept or Reject

ACCOUNT AFFECTED BY TRANSACTION: All accounts that have a balance remaining at the close of business 6/30/2023 will be aggregated and transferred to the Capital Reserve Fund.

Attached is a draft Town Council resolution authorizing you as Mayor to apply to the Connecticut Department of Transportation (DOT) for funding under the FY 2023 Highway Safety Project Comprehensive DUI Enforcement Grant Program.

The general goal of Connecticut's Impaired Driving Program is to substantially reduce the number of alcohol-related crashes. The Impaired Driving Program emphasizes enforcement efforts of reducing driving under the influence of drugs and/or alcohol (DUI).

Through cost-share-programming, it has been possible to substantially increase the number of officers throughout the State to engage in high-visibility DUI enforcement. Activities include a combination of extra DUI patrols and sobriety checkpoints. These activities convey to motorists a simple message: if they drive impaired, they will be caught.

I respectfully request that this item be placed on the Town Council agenda for their meeting to be held on June 20, 2023. Please contact me at extension 7206 if you have any questions.

|---------------------------------------|---------------------------------|-------------|
| Comprehensive DUI Enforcement Program | East Hartford Police Department | |

STATEMENT OF THE PROBLEM AND BACKGROUND INFORMATION

Alcohol-impaired driving fatalities in Connecticut averaged 109 per year for the 2009-2018 ten year period. The year 2011 had the lowest reported total (94) and the year 2013 had the highest reported total (126).

Alcohol-impaired driving fatalities for the latest available three years are: 2016 - 114, 2017 - 122, 2018 - 120.

Alcohol-impaired driving fatalities for the 2009-2018 ten year period averaged 40% of total fatalities for the period.

DUI crashes for the latest available three years are: **2018** - 2,871, **2019** - 2,935, **2020** - 2,572. DUI injuries for the latest available three years are: **2018** - 1,527, **2019** - 1,556, **2020** - 1,548.

65% of fatally injured drinking drivers (BAC \geq 0.01) occurred in crashes between the hours of 8 PM and 6 AM.

The number of statewide DUI arrests for the latest available three years are: **FY 2017/2018** - 9,252, **FY 2018/2019** - 8,390, **FY 2019/2020** - 6,609.

NOTE: For roving patrol activities, the number of enforcement officers allowed per vehicle at any one time is one per vehicle. However, core enforcement hours may be split by more than one officer. All officers who will be assigned to DUI activities should be trained in the most current Standardized Field Sobriety Test (SFST) course curriculum.

NOTE: The operation of this DUI enforcement project shall be above and beyond regular patrol activities scheduled during the program parameter times.

OBJECTIVES

To reduce the number of crashes, injuries and fatalities from impaired driving through increased high-visibility DUI enforcement activities. To communicate with the public, through media venues, the increased levels of DUI enforcement activities so drivers will realize the risks and consequences of operating a vehicle while under the influence and therefore deter that behavior.

ACTIVITIES AND PROCEDURES

This program is being offered on an expanded year-round basis and is in line with the goals and objectives as highlighted in the Connecticut Highway Safety Plan for FY 2023. Funding will be used to address various circumstances in which increased drinking and driving within the municipality is anticipated to take place. In the course of discussions with police agencies, it is evident that the incidence of impaired driving increases at certain times of the year in addition to holiday periods, such as shoreline communities that experience an increase in population during the summer months. Events such as summer festivals, country fairs, music concerts, sporting events, etc., all represent potential for a higher incidence of impaired driving.

Enforcement techniques employed should include extra DUI patrol activities and may include DUI sobriety checkpoints. A checkpoint is defined as an operation in a fixed location where motor vehicle operators are stopped and interviewed to establish if they are operating while impaired. Checkpoints may only be scheduled for a maximum of 8 hours. Saturation/roaming patrols are not considered checkpoints.

I, Jason Marshall, the duly appointed Clerk of the Town Council of the Town of East Hartford, a corporation organized and existing under the laws of the State of Connecticut, hereby certify that the following is a true copy of a resolution adopted at a meeting of the East Hartford Town Council of said corporation, duly held on the 20th day of June, 2023

SUBJECT: Council Resolution for Neighborhood Assistance Act Applications

DATE: June 9, 2023

Fourteen (14) community programs have asked to be included in the Town of East Hartford's annual participation in the State of Connecticut "Neighborhood Assistance Act Program." The Neighborhood Assistance Act provides State tax credits to businesses who contribute to community programs benefiting low income or handicapped individuals in such areas as: job training, job education, community services, and energy conservation. An informational publication explaining the program is attached.

It is important to note that these are State, not municipal, tax credits. The "Tax Credit Program" was authorized under Connecticut General Statutes SS 12-630aa, as amended. Energy conservation and comprehensive college access loan forgiveness programs are awarded a 100% credit; all others receive a 60% credit.

Those programs wishing to participate are listed on the attached summary. All 14 proposals were presented at a Public Hearing held June 12, 2023.

I respectfully request that the attached Resolution be placed on the June 20, 2023 agenda of the Town Council for their approval. If approved, these proposals will be forwarded to the State of Connecticut Department of Revenue Services by July 1, 2023.

Donation of money to an open space acquisition fund means money contributed to an open space acquisition fund of any political subdivision of the state or any nonprofit land conservation organization.

The money must be used for the purchase of land, interest in land, or permanent conservation restriction on land to be permanently preserved as protected open space.

Energy conservation projects means programs to promote energy conservation that are directed toward properties where at least 75% of occupants are at an income level not exceeding 150% of the poverty level for the year immediately preceding the year during which the tax credit is to be granted or at properties owned or occupied

by charitable corporations, foundations, trusts, or other entities. Such projects include, but are not limited to:

- Energy conserving modification or replacement of windows and doors;
- Caulking and weather-stripping;
- Insulation;
- Automatic energy control systems;
- Hot water systems;
- Equipment required to operate variable steam, hydraulic, and ventilating systems;
- Replacement of burners, furnaces, or boilers;
- Electrical or mechanical furnace ignition systems; or
- Replacement or modification of lighting fixtures.

The Connecticut Neighborhood Assistance Act Tax Credit Program: The NAA Tax Credit Program provides a tax credit to business firms that make cash investments in qualifying community programs conducted by tax exempt or municipal agencies.

The credit may be applied against the following taxes:

- Insurance Companies and Health Care Centers (Chapter 207);
- Corporation Business (Chapter 208);
- Air Carriers (Chapter 209);
- Railroad Companies (Chapter 210);
- Certified Competitive Video Service Companies (Chapter 211);
- Community Antenna Television System Companies (Chapter 211);
- Satellite Companies (Chapter 211); and
- Utility Companies (Chapter 212).

The community programs must be approved by both the municipality in which the programs are conducted and by the Department of Revenue Services (DRS).

Community Programs That Qualify for the NAA Tax Credit Program: Listed below are examples of the types of programs that qualify for the NAA tax credit and the amount of the available credit.

A tax credit equal to 100% of the cash invested is available to business firms that invest in energy conservation projects.

A tax credit equal to 60% of the cash invested is available to business firms that invest in programs that provide:

- Neighborhood assistance;
- Job training;
- Education;
- Community services;
- Crime prevention;
- Construction or rehabilitation of dwelling units for families of low and moderate income in the state;
- Donation of money to an open space acquisition fund;
- Child day care facilities;
- Child care services;
- Employment and training programs directed at handicapped persons;
- Employment and training programs for unemployed workers who are 50 years of age or older;
- Education and employment training programs for recipients in the temporary family assistance program;
- Community-based alcoholism prevention or treatment;
 or
- Any other program which serves a group of individuals where at least 75% of the individuals are at an income not exceeding 150% of the poverty level for the year immediately preceding the year during which the tax credit is to be granted.

Obtaining Approval for the NAA Tax Credit Program:

Tax exempt entities and municipal agencies desiring to obtain benefits under the NAA must complete **Form NAA-01**, *Connecticut Neighborhood Assistance Act Program Proposal*, Parts I, II, and III and submit the form to the municipal agency overseeing the implementation of the proposal. The overseeing municipal agency then completes Form NAA-01, Part IV and submits the form to DRS on or before July 1 of each year. Prior to submitting Form NAA-01 to DRS, each municipality must hold a public hearing on all program applications. The governing body of the municipality must vote to approve the programs. Copies of the public hearing notice and minutes of the meeting approving the programs must be submitted by the municipality to DRS with the approved program proposals.

Limits on the Amount of Contributions That May Be Made or on the Amount of Tax Credit Available: The NAA Tax Credit Program has several statutory limits which must be observed, including the following:

 A business firm is limited to receiving \$150,000 in tax credits annually; however, the amount of tax credit allowed any business firm for investments in child day care facilities for any income year may not exceed \$50,000.

- The minimum contribution on which a tax credit can be granted is \$250.
- Any organization conducting a program or programs eligible for funding under the NAA is limited to receiving an aggregate of \$150,000 of funding for any program or programs for any fiscal year.
- The total amount of all tax credits allowed in any fiscal year is \$5 million, which, if exceeded, results in prorating the approved tax credits among the approved organizations.

Business Applications Deadlines: Each business firm requesting a tax credit under the NAA Tax Credit Program must complete a separate Form NAA-02, Connecticut Neighborhood Assistance Act (NAA) Business Application, for each program it wishes to sponsor. Form NAA-02 must be submitted to DRS on or after September 15 but not later than October 1 of each year. Business firms may electronically submit their application by emailing a signed Form NAA-02 to NAAProgram@ct.gov. Any application that is not electronically submitted may be mailed or hand-delivered to DRS.

Claiming the Tax Credit: DRS issues an NAA program approval letter to business firms that make cash investments in qualified community programs. The letter indicates the tax credit amount that may be claimed on the applicable business tax return. The tax credit amount must also be entered on Form CT-1120K, Business Tax Credit Summary, and/or Form CT-207K, Insurance/Health Care Tax Credit Schedule.

Carry Back Provisions: The amount of tax credit that is not taken on the tax return of a business firm for the income year beginning during the calendar year in which the program proposal was approved may be carried back to the two immediately preceding income years (beginning with the earlier of the years). No carry forward is allowed.

According to current design plans, the current cost of such projects is estmated to be well in excess of \$150,000. Need for program: Goodwin University's current campus is located in buildings that are more than 50 years old. These buildings have terrible energy efficiency. Many walls are not insultated and the window constantly leak air. This project would provide the efficiency to retofit various parts of the campus for much greater energy efficiency.

Plan to implement the program:

Bryant Harrell, VP for Physical Facilities, IT and Security-Oversight of the contracts and contractors who will perform the installation of the new energy efficient equipment

OLD BUSINESS

Fair Rent Commission

The chair presented the June 12, 2023 revised draft of the Fair Rent and Quality Housing Commission ordinance which was the result of discussions and edits with Administration staff.

The proposal provides that all complaints about rental increases would be filed with the Mayor's office or such other person designated by the mayor. The complaint would be reviewed by town staff. If the basis of the complaint is the condition of the property, the complaint would be sent to appropriate departments for review. Once any outstanding orders to correct are complied with, the complaint would be closed. If the complaint concerns increased rent that is claimed to be excessive, the Commission would hold a hearing, receive any information compiled by town staff or provided by the tenant or landlord and make a decision as to whether the rent increase is excessive in accordance with the criteria established in state law. State law also provides for an appeal of the Commission's decision to the superior court.

The committee reviewed the draft and made several minor and technical changes which will become the June 13, 2023 draft.

Re: Case Worker I, Case Worker II. Administrative Secretary II - Senior Services and Account Clerk- Tax

Dear Mr. Walsh:

Please see the revised job descriptions for Case Worker I and Case Worker II in the department of Health and Social Services. The majority of revisions are to better define case management responsibilities, and the additional responsibilities related to providing support to the program supervisor by the case worker II.

With the opening of our new senior center, Victoria Diana Liberator, Senior Services Coordinator, Laurence Burnsed, Director of Health and Social Services and I met to discuss the staffing needs at the Senior Center. To date we have 1,975 members. Last month we had 5,701 event sign-ups and 763 unduplicated sign-ins. We also had 192 guests. (Most of these guests are people coming in to do their taxes but some are for our special programs we offer.) Our gym has 487 members with about 70 people using it daily. Therefore, the Senior centers needs to transition from an Administrative Clerk II to an Administrative Secretary II - Senior Services employee. I've attached the Administrative Secretary II - Senior Services job description that is specific to the needs of the Senior Center.

Attached is the Account Clerk- Tax position description with proposed revisions. The Account Clerk- Tax job description has not been updated since 2012, and the role has evolved and adjust from a Grade 4 to Grade 5. Some of the key additions are

- Motor Vehicle (DMV) clearance for delinquent tax payers.
- Responsible for coordinating parking ticket appeals, rebilling and keeping files of all tickets.
- Correction of change reports from Assessors office, mailing adjusted or added bills as well as mailing refund letters for accounts with credits, and researching thoroughly.

- Assisting with alias warrants, filing copy's every warrant cycle, calculating interest and fees confirming constable payments for clearance with DMV. Correspondence with constables regarding adjusted or removed bills.
- Assisting in thoroughly reading the bridge from the assessor's office and rebilling accounts.

• Assist in routine clerical duties.

Following CSEA/SEIU LOCAL NO. 2001, ARTICLE VIII 8.7, to be considered for a change in pay grade, an employee must show that he/she is: (a) performing duties in a competent manner that are significantly different from the duties of his/her current classification, and (b) the change in his/her duties are so substantial that the position in question is of a different classification than his/her current classification. Re:

Outdoor Amusement Permit Application "Dilligence Training 4-Year Anniversary"

Dear Chairman Kehoe:

Attached please find the amusement permit application submitted by **Devonte Dillion**, **Owner** of **Dilligence Training**, LLC. The applicant seeks to conduct a community day in celebration of their 4-Year Anniversary at their location on **275 Park Avenue** on **Saturday**, **June 24**, **2023**, from **11:00 am – 3:00 pm**. **This will be a free event for the community** with a food truck, games for youth and a space for the community to socialize and be empowered. This event is rain or shine.

The applicant respectfully requests a waiver of the associated permit fee, under the provisions of (TO) 5-6(a), since this a community event.

The applicant respectfully requests a waiver of the associated time requirement under the provisions of (TO) 5-2(a).

Pursuant to Town Ordinance (TO) 5-3, a review of the application was completed by the Directors of the Fire, Health, Parks & Recreation, Public Works Departments and the Offices of the Corporation Counsel and Finance.

The Risk Management Office approves the application as submitted with the understanding that the use of a bouncy house will be subject to approval of the vendor's Certificate of Insurance prior to day of event.

The Office of Corporation Counsel approves the application as submitted.

The Fire Department approves the application as submitted and indicates there are no anticipated costs to their Departments. Applicant must contact the Fire Marshall's Office to schedule inspection of the food truck day for the day of event.

The Health Department approves the application as submitted and indicates there are no anticipated costs to their Departments. They are working with event organizer to assure food handling and safety standards are addressed.

The Parks & Recreation and Public Works Departments approve the application as submitted and state there are no anticipated costs to their Departments.

The **Police Department** conducted a review of the application, and the following comments/recommendations are made:

- The Police Department can provide adequate police protection for the event. The site is suitable for the outdoor amusement, the expected crowds are of small to moderate size, and the area has sufficient parking available.
- This event can be conducted with a minimal impact upon the surrounding neighborhoods and a near-normal flow of traffic on the streets adjacent to the site can be maintained.
- There are no anticipated costs to the Department for this event.

Respectfully submitted for your information.

Sincerely,

Scott M. Sansom Chief of Police

RE: Placeholder on agenda for Dilligence Training

Tina, Devonte,

The Certificate of Insurance for Dilligence Training is approved.

Regarding Westberry's Party House, LLC for the bounce house- I spoke with Knah Westberry. At the present time he does not have any type of insurance. He has had it in the past. He has been working on it and should have quote in the next few days. He said he needs to obtain as he needs going forward as a business and not just for Dilligence Training. I told him I would accept just General Liability and Workers' Compensation with the Town as Certificate Holder.

He said he will let me know as soon as he gets a quote.

Did he respond to you about your question in regards to additional insurance for his agency? I just wanted to know that COI was approved or he needed to submit other stuff so I can keep Laurie in the loop since she will be taking over with this Outdoor Amusement Permit while I am away.
