Not Accepting the Lowest Bid re: Audio/Video System for Raymond Library

Chair Kehoe stated that pursuant to §10-10(b) of the East Hartford Code of Ordinances, the Council is notified when the lowest responsible bid is not accepted by the town. As such, the lowest bidder on the RFP to supply and install an Audio Video System for Raymond Library was not accepted due to nonconformance with the stated specifications. No Town Council action is required.

Preliminary Year-end Financial Results

OPPORTUNITY FOR COUNCILLORS TO DIRECT QUESTIONS TO THE ADMINISTRATION

Esther Clarke expressed her concern regarding RFP procedures when the low bidder on projects are local businesses and are not chosen due to specifications posted. Councillor Clarke suggested that the Mayor's office becomes more involved in the process when a local business has responded to a bid. *Mayor Leclerc briefly outlined the RFP process; she noted Councillor Clarke's suggestion. Chair Kehoe understands Councillor Clarke's concern, but cautioned that all bidders need to be treated equally, whether a local business or not.*

TOWN OF EAST HARTFORD OFFICE OF THE MAYOR

DATE: June 25, 2014
TO: Richard F. Kehoe, Chair
FROM: Mayor Marcia A. Leclerc 
RE: Pension agreement between the town of East Hartford, and the East Hartford Federation of Paraprofessionals, AFT, AFL-CIO

The Town of East Hartford and the East Hartford Federation of Paraprofessionals, AFT, AFL-CIO (hereinafter "the Paraprofessionals") entered into a pension agreement effective July 1, 2015 through June 30, 2020. The pension agreement was ratified by the bargaining unit members on June 17, 2015.

The tentative agreement centered on negotiating a defined contribution plan for new hires and controlling retiree health insurance cost. Below is a summary of the changes to the Paraprofessional Retirement Plan:

- The existing Defined Benefit Plan (DB) was closed to new hires effective 06/30/2015.
- New Hires after 07/01/2015 will be placed in a Defined Contribution Plan (DC) with a 6% salary contribution matched by a 3% town contribution.
- This pension contract has a 5-year duration.
- For DC employees, the town will not pay post-retirement medical insurance or supplements.

With respect to employees grandfathered in the DB Plan, at 2.2%, the years of service multiplier is the lowest of all town pension plans, with other contracts ranging from 2.33% to 2.5%. This pension plan has no automatic COLA compared to Police, Fire, and the General Employee's pension plans that all have an automatic 2% COLA. The employees covered by this pension plan pay 6% toward the cost of their benefit. Employees in this plan do not have sick or vacation time included in their final average salary calculation. Employees grandfathered into the DB will continue to be offered a post-retirement Medicare supplement policy provided the employee pays 15% of the cost and 100% of the spouse cost. There are 132 members in this Union.

Attached to this memorandum is a memorandum from Mike Walsh, Director of Finance, with the financial analysis of the five-year pension agreement. Also, attached for your review is a copy of the executed Tentative Agreement with Paraprofessionals; a copy of the Town Consolidated Retirement Plan Document with Appendix V detailing the Paraprofessional's Retirement Plan; a copy of the May 8, 2001 Memorandum of Agreement between the Parties which memorialized the current pension benefits for Paraprofessional Union members; and a copy of the Town Defined Contribution Plan Document which details the benefits for Paraprofessional Bargaining Union members hired on or after July 1, 2015.

Since this matter involves a need to fund the pension agreement, the Town's Finance Director and Human Resources Director will be present at the meeting scheduled for Tuesday, July 14, 2015 should there be any questions or concerns or a need to go into executive session.

The attached agreement is being submitted to you within fourteen days from the date the union members ratified the agreement. In accordance to Section 7-474 of the General Statutes of the State of Connecticut "Such request shall be considered approved if the legislative body fails to vote to approve or reject such request within thirty days of the end of the fourteen-day period for submission to said body."

I respectfully request that this item be added to the Agenda of the July 14, 2015, Town Council meeting and recommend that the Town Council approve the settlement agreement for the reasons noted above.

Re : East Hartford Federation of Paraprofessionals - Tentative Pension Agreement

Attached for your review is a suggested transmittal letter to the Council Chairman regarding the Tentative Agreement between Town of East Hartford (herein "The Town") and the East Hartford Federation of Paraprofessionals, AFT, AFL-CIO (hereinafter "the Paraprofessionals") (collectively herein "The Parties"), The Parties entered into a pension agreement effective July 1, 2015 through June 30, 2020. RE: Paraprofessional's Pension Contract Settlement - Financial Analysis

By way of this memo, please accept the following financial analysis related to the Paraprofessional's Pension Contract Settlement:

1. The existing Defined Benefit Plan (DB) was closed to new hires effective 7/1/2015.
2. New hires after 7/1/2015 will be placed in a Defined Contribution Plan (DC) with a 6% salary contribution matched by a 3% town contribution.
3. With respect to the existing DB plan, at 2.2%, the years of service multiplier is the lowest of all town pension plans with other contracts ranging from 2.33% to 2.5%.
4. This pension plan has no automatic COLA compared to Police, Fire, and the General Employee's pension plans that all have an automatic 2% COLA.
5. The employees covered by this pension plan pay 6% toward the cost of their benefit.
6. Employees in this plan do not have sick or vacation time included in their final average salary calculation.
7. This pension contract has a 5-year duration.
8. 139 positions are covered by this contract with a total annual salary of \$3,266,025.
9. For DC employees, the town will not pay post-retirement medical insurance or supplements. For DB employees, the town will offer a post-retirement Medicare supplement policy provided the employee pays 15% of the cost and 100% of the spousal cost.
10. Finally, the cost projection for FY 16 as calculated by the Segal Company is attached. At 6.95% of salary as paid by the BOE, the provision of this benefit is substantially lower than the 28.03% average of all other plans. Note that the total normal cost to the BOE annually to provide this benefit is \$246,527 while the cost to the members covered by the plan is \$205,417. While the annual DB cost may increase slightly because of an actuarial principle associated with a closed group, new costs to the BOE for the 3% match will be just under \$100,000 annually.

Please contact me if you have any questions or problems on any of the aforementioned information.

Continuous Service with the Town shall not be broken in the event of: (i) absence approved by the Retirement Board, during any period not in excess of one year, except that the Retirement Board may consent to extend the period of leave; or (ii) absence from work because of occupational injury or disease incurred as a result of employment with the Town, for which absence a Participant shall be entitled to Workers’ Compensation payments.
- (b) A Participant shall not receive Credited Service in the case of the period of absence set forth in section 1.02(a), above, but shall retain Credited Service accrued prior to such absence. Upon return to employment after an approved absence, the Participant will again accrue Credited Service.
- (c) Non-Work Periods Credited. Except as provided in this Section 1.02(c), a Participant shall not receive Credited Service for periods of absence from employment during which he receives no compensation from the Town and does not make Employee Contributions.

- (c) **Actuarial Equivalence.** Actuarial Equivalence under this Section 12.05 shall be determined using a five percent (5%) interest assumption, and the term "\$90,000" shall include any higher amounts prescribed pursuant to the Internal Revenue Code for purposes of these limitations.
- (d) In the case of disability or survivor benefits provided under the Plan, the limitations of Section 12.03(a) and 12.05(a) shall not apply to:

Reg. §1.415-8(e) for purposes of determining compliance with the limitations of IRC §415(b).
- (b) If a Participant also participates in a defined contribution plan of the Town obligated to contribute under this Plan, and such Plan is a qualified plan under IRC §401(a), such plan will be combined with this Plan in accordance with Treas. - (a) The benefit paid under this Retirement Plan shall not exceed the limitations set forth in Section 12.02.
- (b) If a Participant on his or her annuity starting date is not eligible for full monthly benefits under this Retirement Plan because of the operation of Section 12.02, the monthly benefit thereafter shall be recalculated annually until the Participant is receiving a full monthly benefit under the Retirement Plan's terms without the operation of this Section 12.08. Each such recalculation shall be based on this Section 12.08 with any applicable adjustment to reflect cost of living increases as permitted by the Treasury Regulations.

ARTICLE XIII – GENERAL PROVISIONS

Section 13.01. Exclusive Benefit.

This Retirement Plan is established and maintained for the exclusive benefit of the Participants of the Plan and their beneficiaries and is administered for the exclusive purpose of providing retirement and retirement-type benefits for such individuals. Except as otherwise specifically provided herein, no portion of the assets of this Plan may be used for any purpose other than the payment of benefits hereunder and the defraying of reasonable administrative costs. At no point may the Town obtain a reversion of all or any part of the assets of this Plan unless this Plan has been properly terminated under the Internal Revenue Code and all liabilities to Participants and their beneficiaries have been satisfied.

Section 13.02. Gender and Number.

Whenever used herein, a pronoun in the masculine gender shall be considered as including the feminine gender, unless the context clearly indicates otherwise, and whenever used herein, a pronoun in the singular form shall be considered as being in the plural form, unless the context clearly indicates otherwise.

Section 13.03. Forfeitures.

No forfeitures shall be applied to increase the benefits any Participant would otherwise receive under this Plan.

Section 13.04. Applications for Pensions.

An application for a Pension must be made in writing on a form and in the manner prescribed by the Retirement Board and shall be filed with the Retirement Board at least two (2) weeks in advance of the final month for which benefits are payable.

Section 13.05. Payment of Actuarial Equivalent Amount.

A single sum payment in an actuarial equivalent amount may be made in lieu of monthly payments if the amount of each monthly Pension payment would be less than twenty dollars (\$20).

Section 13.06. Non-Assignment.

No payee may sell, assign, discount, or pledge as collateral for a loan or as a security for the performance of an obligation, or for any other purpose, any payment due to him. If the payee for any payment is a minor or incompetent person, payment may be made to the person, or persons caring for or supporting such payee, in full discharge of all obligations, as determined by the Retirement Board.

The preceding paragraph shall not apply to the creation, assignment or recognition of a right to any benefit payable with respect to a Participant pursuant to a domestic relations order that is approved by the Retirement Board in accordance with the provisions of the Plan and the policies and procedures of the Retirement Board.

Section 13.07. Proof of Living Payee.

There shall be no obligations to make any payment hereunder unless the payer has received proof that the payee was living on the due date of the payments. If such proof is not received within seven (7) years after the date of the payment, and if no proof of the death of the payee is received during each seven (7) year period, the obligations of the payer as to the payment and as to the Pension payments, if any, from which the payments results will be the same as if the payee had died immediately before the due date of the payment.

Section 13.08. Limit on Reduction of Accrued Benefit by Plan Amendment.

In no event will any Participant receive at retirement anything less than what he would have received under the provisions of this Plan as constituted prior to July 1, 2005, as a result of this Plan Amendment.

Section 13.09. Education Workshop

The Town of East Hartford shall hold an annual education retirement workshop for Eligible Employees.

ARTICLE XIV ROLLOVER PROVISIONS

Section 14.01 Direct Rollovers

This Section applies to distributions made on or after July 1, 1993. Notwithstanding any provisions of the Plan to the contrary that would otherwise limit a Distributee's election under this Section, a Distributee may elect, at the time and in the manner prescribed by the Retirement Board in accordance with applicable regulations, to have any portion of an Eligible Rollover Distribution paid directly to an Eligible Retirement Plan specified by the Distributee in a Direct Rollover.

- (a) A Distributee who is entitled to elect a Direct Rollover with respect to all or any portion of a distribution, but who does not make any election shall be deemed to have rejected the Direct Rollover option.
- (b) A Distributee who elects a Direct Rollover with respect to any Eligible Rollover Distribution that is one in a series of installment payments made at least annually over a period of less than 10 years shall be deemed to have made the same election with respect to all subsequent Eligible Rollover Distributions in the series unless and until the Distributee changes the election. A change of election shall be accomplished by notifying the Retirement Board of the change in the form and manner prescribed by the Retirement Board.
- (c) Within a reasonable period of time before an Eligible Rollover Distribution is to be made, the Retirement Board shall provide to the Distributee an explanation of the right to elect a Direct Rollover and the federal tax withholding consequences of failing to elect a Direct Rollover. A Distributee who elects a Direct Rollover must provide all information that the Retirement Board may require to complete the Direct Rollover.
- (d) For the purposes of this Section, the following definitions shall apply:
 - (1) An "Eligible Rollover Distribution" is any distribution of all or any portion of the balance of the credit of the Distributee, except that an Eligible Rollover Distribution does not include: any distribution that is one of a series of substantially equal periodic payments (at least annually) made for the life (of the life expectancy) of the Distributee or the joint lives (of joint life expectancies) of the Distributee and the Distributee's designated beneficiary, or for a specific period of ten years or more; any distribution to the extent such distribution is required under IRC §401(a)(9); and the portion of any distribution that is not includable in gross income (determined without regard to the exclusion for net unrealized appreciation with respect to employer securities).
 - (2) A distribution of less than \$200 that would otherwise be an Eligible Rollover Distribution within the meaning of paragraph (d-1) shall not be an Eligible Rollover Distribution if it is reasonable to expect that all such distributions to the Distributee from the Plan during the same calendar year will total less than \$200.
 - (3) An "Eligible Retirement Plan" is an individual retirement account described in IRC §408(a), an individual retirement annuity described in IRC §408(b) or a qualified trust described in Section 401(a) of the Code, that accepts the Distributee's Eligible Rollover Distribution. However, in the case of an Eligible

Rollover Distribution to the surviving spouse, an Eligible Retirement Plan is an individual retirement account or individual retirement annuity.

- (4) “Distributee” includes a Participant, Retired Employee or Vested Employee. In addition, the Participant’s or Retired Employee’s or Vested Employee’s surviving spouse and the Participant’s or Retired Employee’s or Vested Employee’s spouse or former spouse who is the alternate payee under a qualified domestic relations order, as defined in Section 414(p) of the Code, are Distributees with regard to the interest of the spouse or former spouse.

Effective January 1, 2010, a non-spouse Beneficiary of a deceased Participant is also a distributee for purposes of this Section; provided, however, that in the case of a non-spouse Beneficiary, the direct rollover may be made only to an individual retirement account or annuity described in Section 408 or 408A of the Code that is established on behalf of the non-spouse Beneficiary and will be treated as an inherited individual retirement account or annuity pursuant to Section 402(c)(11) of the Code.

- (5) A “Direct Rollover” is a payment by the Plan to the Eligible Retirement Plan specified by the Distributee.

Section 14.02 Rollovers to the Plan

In no event shall the Plan accept Eligible Rollovers from any source unless a reemployed Eligible Employee is making a repayment of his Employee Contributions.

Debt Impact – Proposed Bond Issues & 2015 Referendum

Independent Bond & Investment Consultants LLC

Existing Debt Service

- ▶ FY 2014-15 budgeted debt service is \$8,068,079.
- ▶ Debt service will decline in FY 2015-16 to \$7,391,026 and will continue to decline thereafter.
- ▶ Debt service will decline significantly in FY 2018-19 (~\$1.2M), again in FY 2020-21 (~\$1.2M) and again in FY 2022-23 (~\$1.4M).
- ▶ The Town can take advantage of the drops in debt service when structuring future bond issues.

Previously Authorized Projects

- ▶ The Town currently has \$24 million in authorized but unissued debt for previously approved projects.
- ▶ If the Town were to issue \$15.3 million of bonds in July 2016, followed by \$9.1 million of short-term notes in July 2017 which could be permanently financed in July 2018, debt service would remain below the FY 2014-15 level through FY 2017-18.
- ▶ Debt service would increase thereafter to a peak of \$8.6 million in FY 2018-19.
- ▶ Average tax increase over the term of the new debt would be approximately \$90/year for the average East Hartford residential property.

RE: Board of Education Capital Reserve Fund Recommendation - FY 15

By way of this memo, consistent with the provisions of Town Ordinance article 7, section 10-38, I hereby request that the maximum of 1% of the BOE budget, or \$872,000 or such lesser amount as deposited by the Board of Education into the Board of Education Capital Reserve Fund as part of the fiscal 2014-15 year-end close be approved for release back to the Board of Education by the East Hartford Town Council.

The Board intends to use the funds as outlined in a brief e-mail to me by Business Services Manager Paul Mainuli which is attached.

These infrastructure projects and equipment purchases are important to the district and have been approved by the Board as part of a year-end spending plan. I have attached a sample motion for the Town Council to consider.

Board of Education Capital Reserve Fund Transfer

That, in accordance with Article 7 §10-38 of the Town of East Hartford Code of Ordinances, the Town Council **approve** the Board of Education's request to expend \$872,000 (or such lesser amounts as deposited based on the proceeds as forwarded by the BOE) from the Board of Education's Capital Reserve Account for the purposes of funding capital improvements at Sunset Ridge School, the Middle School, Silver Lane School, related to Willowbrook School, and for the purchase of one truck and two vans which are all consistent with the projects contained in the district's approved Capital Improvement Plan.

Should you have any questions or problems on the aforementioned, please feel free to contact me. I will be on hand at the Town Council Meeting to answer any questions.

Subject: Capital Reserve Year End Adjustments

Mike –

We would like to request more funds be approved for the capital reserve account. We would like to amend our request to Town Council and increase the amount from \$500K up to 1% of our operating budget or \$872K. The 1% threshold represents the maximum amount allowed for a school district. This amount may be less as we complete our budget close-out process.

There is an outstanding Woodland School tuition reimbursement payment expected from the New Britain School District. The reimbursement payment is over \$300K which we expect to collect over the next two weeks. We would like to add the funds to our capital reserve request. The additional funds will be used primarily for the Willowbrook School transition plan. We are in the process of conducting a redistricting study that will move all our pre-school programs to one building (Early Childhood Center) for the FY 2016-17 school year. The additional funds will be used to support the closing of Willowbrook School and the relocation of our pre-school programs in one building. We expect there will be a considerable expense to the district in start-up costs for the ECC as well as the costs of closing down Willowbrook School.

Please let me know if you need any additional information about our request. Thanks.

Fees Increase Requests: Police Department

Chief Scott Sansom led the discussion on the proposed increase to parking ticket fines and alarm registration and false alarm fees. Chief Sansom believes that the primary role of the police in the enforcement of the fines is to modify the behavior of the offender – which will lead to compliance with town ordinances. The proposed increased fee for alarm registration and alarm renewal was \$25 – up from \$5. Councillor Aberasturia suggested that keeping the registration fee and renewal fee at \$5 would be more of an incentive to the town's residents to comply with the ordinance. The proposed increased fine for parking during a snow ban is \$99 – up from \$15. Again, Councillor Aberasturia suggested that a more appropriate fine would be \$45 – which would be more in line with surrounding towns.

Attached is a memo from Michael Walsh, Finance Director, and a list of tax liens that the town is looking to sell. The Town Council approved this list at its meeting held on April 21, 2015. MEMORANDUM

DATE: June 19, 2015

TO: Marcia A. Leclerc, Mayor

FROM: Michael P. Walsh, Director of Finance 

TELEPHONE: (860) 291-7246

RE: Town Council Approval of the Sale of Individual Tax Liens

At the April 21, 2015 Town Council Meeting, the following motion was approved by the Town Council as it relates to tax liens the town is interested in selling.

MOTION By Bill Horan, seconded by Barbara Rossi

to recommend that the Town Council **authorize** the administration to conduct a tax lien sale by way of a request for proposal (RFP) and to seek and receive sealed bids pursuant to an invitation to bid on a number of tax liens held by the town on specific real property as listed on lists 1, 2, 3 and 4 and attached to a memorandum dated April 14, 2015 from Mayor Marcia Leclerc to Town Council Chair Richard Kehoe, subject to the following four conditions:

1. The Collector of Revenue shall notify the record owner of each property subject to a lien that is to be included in the tax lien sale, by certified mail, that the lien is being included in the request for proposal and invitation to bid, and that the owner should contact the Town immediately to pay the taxes or seek a payment plan if they wish to keep the Town's tax liens on their property from being sold;
2. In order to qualify for a payment plan, the property owner must meet the following three criteria:
 - They must remit 25% of the outstanding amount due
 - They cannot have defaulted on a prior payment arrangement
 - Their property must not have active property code violations;
3. The letters from the Collector of Revenue to each property owner shall notify the property owner that the purchaser of the tax lien on their property shall have the right to foreclose on that property; and
4. The Administration shall return to the Town Council with the results of the request for proposal and that the proposal for each tax lien must be approved by the Town Council before it is sold.

And further to **authorize** the administration to assign the tax liens as listed on lists 5, 6 and 7 to the vendors who currently hold the prior year tax liens on these properties.

Motion carried 9/0.

With respect to the aforementioned motion, having satisfied the conditions of the process articulated by the Town Council, we need to return to the Town Council to seek approval to sell tax liens where the bids received by the Town through the request for proposal (RFP) process were satisfactory.

Know that 122 delinquent accounts totaling \$1,187,229.49 were included on the original list. 61 properties totaling \$519,556.55 were removed from the list when the owners came in and paid in full or entered into a payment plan with the town. 18 properties totaling \$89,163.23 that were on the list did not receive any bids and therefore remain outstanding. Finally, 43 properties totaling \$578,509.71 are being recommended for sale and are presented below for the Town Council's approval:

Empire VII CT Portfolio LLC	8 bids totaling \$ 78,503.00
ATCF II, Connecticut LLC	35 bids totaling \$ 569,610.19

It should be noted that all bids being recommended for approval were higher than the tax and interest due to the town by an average of 112% producing a premium of \$69,603.48.

Once these liens are sold, the property owner will have the opportunity to redeem these liens from the new owner based on a time period established by Connecticut General Statutes.

Based on these recommendations, I would respectfully request that this package of information be forwarded along to the Town Council for their approval.

Should you have any questions or problems on the aforementioned, please feel free to let me know.

The Honorable Marcia Leclerc
Mayor of the Town of East Hartford
740 Main Street
East Hartford, CT 06108

Dear Mayor Leclerc:

RE: 9-11 Moore Avenue

This letter is to express our interest in developing this existing property into a homeownership unit with a rental. Hartford Habitat is particularly interested in providing its families with options to ensure that they become successful homeowners. Our goal for this property would be for a relative of the homeowner to occupy the rental unit and provide support to the Habitat family.

We are proud of our twenty-five year record of providing affordable homeownership opportunities to families of limited means in Hartford County. We have completed over 220 homes for first-time homebuyers and changed their lives in a meaningful way.

We would be happy to provide additional details of our plans upon request.

Sincerely,

A handwritten signature in black ink, appearing to read "Karraine Moody".
